

January 16, 2010

Dear Corporate Member:

The Nevada Minority Supplier Development Council (NvMSDC) a not-for-profit business development organization, is proud to announce the 15^h Annual Excellence Awards and Minority Business Hall of Fame induction, taking place on Friday, April 9, 2010 at Caesars Palace in Las Vegas.

The Excellence Awards are designed to honor major corporations and minority businesses that have excelled in programs, products and/or services for the previous calendar year. Since its inception numerous corporations and minority business owners have been honored for outstanding achievement and supplier diversity development.

This year, as in the past, we will also install a minority business owner and major corporation into the Minority Business Hall of Fame. Other honorees will include nominations in the categories of: New and Minority Business of the Year; Contractor of the Year; and Professional Services Company of the Year.

It is our hope that you will participate in this stalwart program by nominating a worthy individual or Minority business. Attached for your immediate review are the categories and nominations forms for your review.

It is important that you nominate in the category of minority business only. Some helpful hints to consider in your selection should include: Your experience with the supplier that has demonstrated valued service, growth, development, on-time delivery and/or other personal reasons you feel the nominee should be considered. Once you have selected your nominee, it is your responsibility to get the necessary forms (attached) to that person or company immediately since there are strict deadlines and information required of them.

All the nominators have until Friday, February 19, 2010 to fax us back **(702-894-9474)** the information about the person or the company they want to nominate. **The deadline for all the nominee submissions is Friday, March 5, 2010.** All nominations must be complete, typed and include all required information to be considered. Should you have questions, or require additional information, please do not hesitate to contact us at 702-894-4477.

Thank you in advance for your support of minority business development.

Sincerely,

Dianne Fontes
